My Core Values

1.

2.

3.

These three core values are the ones you should never break or sacrifice for yourself or others. If you do and you fail, this failure becomes a personal tragedy and loss of character. If you do not break your core values, you can still hold you head high, knowing you have honored who you are.

"Of all the properties which belong to honorable men, not one is so highly prized as that of character."

~ Henry Clay, American politician and orator
